Mike,

Attached are the manuscript PDFs of the TCE, MC and MNP proposed rules. I am also providing links to comments and supporting documents as handy reference. I will pull out the specific comments discussed this morning and get those to you as well.

Cheers

M

- NPRM addressing use of TCE in dry cleaning and in aerosol spray degreasing

- [Public Comments](#) **Ex. 5 - Deliberative Process**
- **Ex. 5 - Deliberative Process**
- [Supporting Documents](#) (analyses etc.)

- NPRM addressing use of TCE in vapor degreasing
